Introduction

We have reviewed the accompanying condensed interim balance sheet of Trust Modaraba (the Modaraba) as at December 31st, 2015, the related condensed interim profit and loss account, condensed interim statement of comprehensive income, condensed interim cash flow statement, condensed interim statement of changes in equity, and notes to the accounts for the six months period then ended (here in after referred to as the "interim financial information"). Management Company [Al-Zamin Modaraba Management (Private) Limited] is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review. The figures of the condensed interim profit and loss account and condensed interim statement of comprehensive income for the quarters ended December 31st, 2015 and December 31st, 2014 have not been reviewed, as we are required to review only the cumulative figures for the six months ended December 31st, 2015.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements - 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of the person responsible for the financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information as of and for the six months ended December 31st, 2015 is not prepared in all material respects, in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting.

Emphasis of matter

We draw attention to the matter stated in note 9.2.3 to the condensed interim financial information, the ultimate outcome of which cannot presently be determined and hence, no provision that may result therefrom has been made in the interim financial information. Our conclusion is not qualified in respect of this matter.
